 PINTE OS QUADRINHOS DE ACORDO COM O NÚMERO DE ELEMENTOS DE CADA CONJUNTO.

The activity consists of a 5x5 grid of boxes. Below the grid are five boxes containing different sets of objects. Dotted arrows indicate the relationship between the object sets and the rows of the grid:

- The first row of the grid is connected to a box containing 5 flowers.
- The second row of the grid is connected to a box containing 2 apples.
- The third row of the grid is connected to a box containing 3 lollipops.
- The fourth row of the grid is connected to a box containing 1 dog.
- The fifth row of the grid is connected to a box containing 5 birds.
